Reduced substance use
(Bernstein, et al., 2005; Boyd et al., 2005; Kamon & Turner, 2013; Mangrum, 2008; O'Connell, ND; Rowe, et al., 2007; Armitage et al., 2010)

Value of peers in supporting recovery from substance use disorders, SAMSHA, 2017

PeerRX™ is a new app that facilitates rapid peer response. Used in various settings such as emergency departments and 911 call centers, PeerRX™ has proven to find and deploy peers in minutes. In fact, PeerRX™ has shown to cut the time to find a peer from 1.4 hours to under 7 minutes. Peer agencies say PeerRX™ increases referrals—and improves efficiencies in tracking and staffing area needs. PeerRX™ provides agencies with data to support rapid response and better informed transitional services.

PeerRX™ runs on any desktop, tablet or mobile device and can be accessed from anywhere to view area requests and peer referrals.

Sign up in 3 simple steps:

1. Register your agency.
2. Get approved by the PeerRX™ team.
3. Enter your peers.

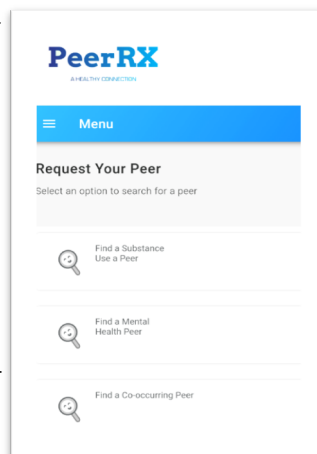

In seconds, following your approved registration, PeerRX™ will begin sending your peers requests.

PeerRX™ communicates

area referrals via text messaging. When a request for a peer is entered by a facility, the peers that best match the request (type, gender, language and age) are sent the referral. In minutes, PeerRX selects a peer—and the chosen peer name and agency is communicated to the facility.

PeerRX™ also texts peer supervisors and offers a dashboard and reporting

to monitor area requests,

review peer response times and evaluate local needs.

Fast, efficient, healing.™

PeerRX™ Rapid Response

For Hospitals/Facilities

- Call for SU, MH or Co-Occuring peer support
- Find local peer support faster
- Get immediate response from community providers
- Offer nurses simple, fast tool
- Facilitate transition to community resources easier

For Agencies/Peer Suppliers

- Increase peer referrals
- Easily monitor peer activity
- Easily monitor area needs
- Streamline operations

All referral requests and data is stored for advanced reporting of area needs and volume.

PeerRX

A HEALTHY CONNECTION
