Value of peers in supporting recovery from substance use disorders, SAMSHA, 2017

PeerRX™ is a new Uber-like app that finds Substance Use, Mental Health and Co-occurring peers fast for calling locations like hospitals, 911 call centers, providers, drug courts, law enforcement facilities. Simply set up PeerRX™ to choose which area peer suppliers to alert, and those peers will get texts in seconds. PeerRX™ has proven to cut the time to find a peer from 1.4 hours to under 10 minutes. That's because it eliminates phone tag and is easy to use. Simply click a button from your mobile phone or desktop and PeerRX™ will send out an alert—no more phone tag! Connect immediately with the peer found to help the client in need. Access the PeerRX™ dashboard 24/7 from your mobile phone for insight into your community activity. Visit peer-rx.com to sign up for our 30-day trial or get in touch with the PeerRX™ team.

PeerRX™ runs on any desktop, tablet or mobile device and can be accessed from any where to find a peer.

Sign up in 3 simple steps:

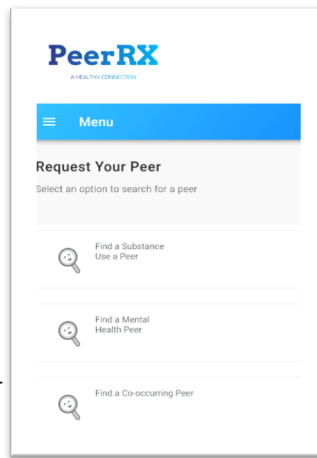

1. Pick a subscription plan.
2. Get approved by the PeerRX™ team.
3. Start calling for peers.

Callers will select their preferred peer suppliers so PeerRX™ will know

which peers to alert.

Following your registration, PeerRX™ is ready to go. Click a button. Find a peer.™

PeerRX™ will alert the area peers qualifying for the referral. In minutes, the peer that *best matches* the client's preferences and need will receive a PeerRX™ notification to deploy. If your facility has ON SITE peers, PeerRX™ will only send referrals to them.
